

# BIO-WASH

## DEGREASER AND CLEANER

Bio-Wash is a powerfully effective and fast working degreaser and cleaner for streak-free washing of surfaces. Bio-Wash thoroughly cleans all surfaces and removes tough dirt, grease and excessive oil. Bio-wash can be used in the transport industry (for the washing of engines, chassis, workshop floors & equipment) and in the agricultural industry (for the washing of pack house equipment, cold rooms, tractors and vehicles, farm equipment).

### DIRECTIONS FOR USE:

Dilute 200ml to 300ml Bio-Wash per 10 L water. Apply as required and rinse thoroughly with clean running water.

### WARNINGS:

Keep out of reach of children. Do not ingest. Avoid contact with eyes, face and clothing. In case of eye contact, remove any contact lenses, rinse with cold water. In all cases seek medical advice if necessary.
