

# BIO-Prep

## IRRIGATION SYSTEM CLEANER

Bio-Prep is applied in combination with Drip-Kleen and serves as a foam marker through the specific irrigation system. Bio-Prep also serves as a good degreaser to further enhance the effectiveness of Drip-Kleen.

### DIRECTIONS FOR USE:

Apply 1 litre Bio-Prep for every 20 litres of Drip-Kleen being used.

### WARNINGS:

Keep out of reach of children. Do not ingest (inhale or drink). Avoid contact with eyes, face and clothing. In case of eye contact, remove any contact lenses, rinse with cold water for at least 15 minutes. In all cases seek medical advice if necessary.
